...*We'd like to think*...

- Newton students would lead the state, if not the country, as an educational example

... *Facts of where we are today* ...

- NSHS is ranked 912 (tied with Allen, TX) and NNHS is ranked 1001 (behind Reno, NV). NNHS has dropped 277 spots since 2003 (Newsweek)

- Newton STEM trails MA with no plans to improve
- 
- | Entity  | % of Seniors considering a career in STEM |
|---------|---|
| NPS     | ~12%                                      |
| MA      | ~18%                                      |
| MA Goal | 25%                                       |

- MCAS results flat or declining for the past five years - now behind 50 other districts

- At least 25% of Newton students receive PAID outside tutoring in math (NPS Survey, 2004)

### Newton School Committee Candidate

## ✓ Dan Proskauer...

...*is an effective professional manager and leader*...

- Dan was a Sr. Engineering Manager during 16 years at Teradyne, Inc., accountable for globally distributed groups as large as 350 and was granted several patents
- Dan is a Vice President at Ingenix, and is responsible for the development of products related to the recent IT initiatives proposed by the Obama administration

...*understands fiscal responsibility*...

- Dan has responsibly managed budgets ranging from \$90k-\$17.5 million
- Dan served five years on the Board of Directors of the Burr Cooperative Nursery School in Auburndale, and, as Treasurer, increased reserves by 115%
